

BELMER armchair

Design: Matteo Cibic
Production: JCP Universe, 2018

*“Soft mounds entice you
To the basement, the forest
To find your comforts”*

Haiku by Alistair Gentry

Between sculpture and design, *Belmer* is a wonder-object suggesting a newly discovered sociality. Unusual encounter of irregular shapes, it appears as an alien organism, coming from a galaxy where everything is yet to be discovered.

Materials: armchair with base in CNC machine shaped solid wood with glossy patinated gold finishing. Seat and back with structure in multilayered wood and high-density polyurethane foam at different densities upholstered in velvet of two contrasting hues.

Dimensions (W x D x H): 115cm x 87cm x 78cm
