

## BELMER sofa

Design: Matteo Cibic  
Production: JCP Universe, 2018

*“Soft mounds entice you  
To the basement, the forest  
To find your comforts”*

Haiku by Alistair Gentry

Between sculpture and design, *Belmer* is a wonder-object suggesting a newly discovered sociality. With its big dimension, it goes against the trend of miniaturization, appearing as an alien organism, coming from a galaxy where everything is yet to be discovered.

Materials: sofa with base in CNC machine shaped solid wood with glossy patinated gold finishing. Seat and back with structure in multilayered wood and high-density polyurethane foam at different densities upholstered in velvet of two contrasting hues.

Dimensions (W x D x H): 302cm x 176cm x 105cm
