*"You have been so good  
That your lover has brought you  
Lavish punishments"*

Haiku by Alistair Gentry

*Wanda* small container comes with the idea of overcoming the horrifying reality of war through irony. The rocket thus becomes a humorous, yet functional, home accessory. An object that exorcizes fear, proposing a new vision of reality. When opened, the vase reveals a surprise and the bang effect of a bomb causes an explosion of joy and pleasure...

Materials: sex toy, suitable as vase too, with base and cap in 3d printed ABS with dark bronze finishing. Cap with metal Kenzan. Container body in selected matt marbles.

Dimensions (W x D x H): Ø 10,5cm x 20cm
