

DROBOT - BETOO table lamp

Design: Richard Hutten
Production: JCP Universe, 2017

*"At the end of time
When humans live in darkness
Robots see for them"*

Haiku by Alistair Gentry

Betoo is a character of a JCP Universe's science-fiction movie, where notions of the past become the elements of an unpredictable future and what we perceive as history has yet to be seen. A little robot with an unexpected soul, lighting the unseen and helping us to interpret and transform everyday life.

Materials: table lamp with metal structure in chrome finishing. Inner light source with a warm white LED bulb diffused through a white Plexiglas plate.

Dimensions (W x D x H): 26cm x 24cm x 50cm
