

DROBOT - THREEVE floor lamp

Design: Richard Hutten
Production: JCP Universe, 2017

*"At the end of time
When humans live in darkness
Robots see for them"*

Haiku by Alistair Gentry

Threeve is a character of a JCP Universe's science-fiction movie, where notions of the past become the elements of an unpredictable future and what we perceive as history has yet to be seen. A little robot with an unexpected soul, lighting the unseen and helping us to interpret and transform everyday life.

Materials: floor lamp with metal structure in chrome finishing. Inner light sources with two warm white LED bulbs diffused through a white Plexiglas plate.

Dimensions (W x D x H): 44cm x 38cm x 140cm
