

DROBOT - RONE floor lamp

Design: Richard Hutten
Production: JCP Universe, 2017

*"At the end of time
When humans live in darkness
Robots see for them"*

Haiku by Alistair Gentry

Rone is a character of a JCP Universe's science-fiction movie, where notions of the past become the elements of an unpredictable future and what we perceive as history has yet to be seen. A little robot with an unexpected soul, lighting the unseen and helping us to interpret and transform everyday life.

Materials: floor lamp with metal structure in chrome finishing. Inner light source with a warm white LED bulb diffused through a white Plexiglas plate.

Dimensions (W x D x H): 40cm x 40cm x 160cm
