## LAV - WANDA sex toy

Design: Richard Yasmine Production: JCP Universe, 2018

"You have been so good That your lover has brought you Lavish punishments"

Haiku by Alistair Gentry

*Wanda* small container comes with the idea of overcoming the horrifying reality of war through irony. The rocket thus becomes a humorous, yet functional, home accessory. An object that exorcizes fear, proposing a new vision of reality. When opened, the vase reveals a surprise and the bang effect of a bomb causes an explosion of joy and pleasure...

Materials: sex toy, suitable as vase too, with base and cap in 3d printed ABS with dark bronze finishing. Cap with metal Kenzan. Container body in matt marbles to choose from: Nero Marquina, Carrara and Pink Portugal.

Dimensions (W x D x H): Ø 11cm x 20cm
