

ERET console

Design: Samer Alameen
Production: JCP Universe, 2018

*"Measured out and bolted in
Is where you find your freedom
From all that you want"*

Haiku by Alistair Gentry

Meccano: more than a toy, an iconic building set teaching basic mechanical principles. Over a hundred years since its inception, this game inspires a brand new artifact. *Eret* is a stunning composition of perforated metal surfaces and fixing bolts, expression of creativity as a bridge to new realities.

Materials: console with structure made by assembling Meccano-like elements in tropicalized metal.

Dimensions (W x D x H): 270cm x 34cm x 200cm
