

## ESKER vase

Design: POL  
Production: JCP Universe, 2020

*“Compact frozen earth  
Pluck a withered, perfect branch  
Old calendar, forecasts past”*

Haiku by Alistair Gentry

The unworldly beauty of ceramic in a sculpture by POL, realized exclusively for JCP Universe. *Esker* is a line of biscuit porcelain vases built with the rubble of ceramic factories. Overlapping layers of material create an iconic, full and timeless shape. A fusion that achieves the primordial purpose for which mankind produces ceramics: to contain.

Materials: vase in Biscuit porcelain with inner enamelling.

Dimensions (W x D x H): Ø33cm x 60cm
