

ESKER vase

Design: POL
Production: JCP Universe, 2020

*“Compact frozen earth
Pluck a withered, perfect branch
Old calendar, forecasts past”*

Haiku by Alistair Gentry

The unworldly beauty of ceramic in a sculpture by POL, realized exclusively for JCP Universe. *Esker* is a line of biscuit porcelain vases built with the rubble of ceramic factories. Overlapping layers of material create an iconic, full and timeless shape. A fusion that achieves the primordial purpose for which mankind produces ceramics: to contain.

Materials: vase in Biscuit porcelain with inner enamelling.

Dimensions (W x D x H): Ø20cm x 30cm
