

IXORB sofa

Design: Alessandro Zambelli
Production: JCP Universe, 2016

*"Claustrophiliac
Open up what has been shut
To see the outside"*

Haiku by Alistair Gentry

The planning of a design on paper comes to life in *Ixorb*, a sofa offering a new perception of space. Its volumes are enclosed in a dimension of perspective that guides the eye to see the drawing beyond reality. A trick of projection or architecture with a perfect viewpoint?

Materials: sofa with metal structure in embossed Graphite finishing. Seat with structure in multilayered wood and high-density foam at different densities. Upholstery in Jacroki Racy paper-like fabric.

Dimensions (W x D x H): 160cm x 176cm x 83cm
