

MASEEN A side table

Design: Samer Alameen
Production: JCP Universe, 2019

*"Foreign embassy
The clocks were striking thirteen
Natsukashi ya"*

Haiku by Alistair Gentry

From a strong passion for Meccano, a series of side tables that show us how individual components can create infinite possibilities and endless meanings. Like the gears and cogwheels of a watch that, given the right combination, can reveal to us the secret of the flow of time.

Materials: side table with aluminium structure in matt copper finishing.

Dimensions (W x D x H): Ø 40cm x 45cm
