Haiku by Alistair Gentry

*Mettic* is an uncommon dining table, whose decorated legs, coupled according to an unusual symmetry, remind of creatures from an invisible world. With its reflecting surface, it surprises the viewer, encouraging him to look at things from a new perspective.

Materials: table with top in CNC machine shaped matt Indigo lacquered wood finished on the upper surface with decorated copper mirror. Legs in CNC machine shaped matt Indigo lacquered solid wood with tips and cylindrical applications in metal with glossy copper finishing.

Dimensions (W x D x H): 210cm x 90cm x 70cm
