

## NAIA table mirror

Design: CTRLZAK

Production: JCP Universe, 2017

*"She brushes her black hair  
Looking into her own eyes  
And planets are made"*

Haiku by Alistair Gentry

A reflective surface becomes a gateway to another planet: vanity finding a new dimension. *Naia* is an artwork with a double function: its mirror is attached to a unique veined marble circle, like the surface of an alien world, while the semi-circular frame is the orbit around which a new concept of beauty revolves.

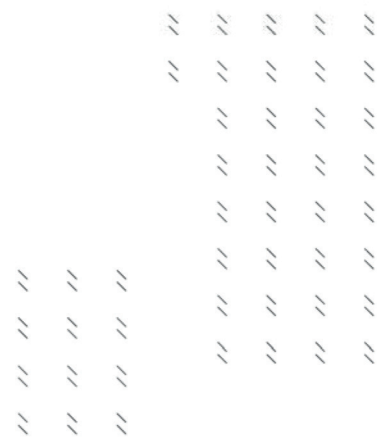

Materials: table mirror with brass structure: polished base and brushed curvature. Rotating plate in selected polished marbles with a supermirror steel surface.

Dimensions (W x D x H): 26cm x 6cm x 33cm
