

TUFURE rug

Design: Studio Lievito
Production: JCP Universe, 2020

*“Under this soft place
Crystal bones of dinosaurs
From unseen futures”*

Haiku by Alistair Gentry

Irregular surfaces transformed by the magma of alien volcanoes invite us to discover unknown planets, scattered with imaginary craters and promontories. Material effects and irregular cuts for *Tufure* tufted rug, that recreates the conformation of alien soils.

Materials: rug with digital print on polyamide base with thread hem and geotextile back.

Dimensions (W x D x H):
Small: 160cm x 250cm
Large: 190cm x 300cm
